 13. Course Description: This **ART** training will spend time on problems such as OCD, Substance problems and phobias. It will offer further tips on how to approach these problems. It utilizes *The Typical Day* which you learned in Basic **ART** but it also includes the use of other **ART** interventions such as *The Little Liar*, which is excellent for the problems mentioned above. This training also offers a chance for you to review some of your cases for consultation during the training.

Materials: Videos of actual sessions of **ART** used with OCD, Substance problems and phobias. **ART** Enhancement Manual.

Objectives:

- 1) Participants will understand and be able to use the Accelerated Resolution Therapy (ART) protocol with clients who have Obsessive Compulsive Disorder (OCD)
- 2) Participants will understand and be able to use the Accelerated Resolution Therapy (ART) protocol with clients who have addiction problems
- 3) Participants will understand and be able to use the Accelerated Resolution Therapy (ART) protocol with Phobias
- 4) Participants will understand how to create their own metaphors for use with Accelerated Resolution Therapy (ART)
- 5) Participants will expand their understanding of creating ART interventions and be able to show by stating at least two interventions they have created on their own that they understand the process.
