Now that you have practiced the use of metaphors from the Basic ART training you can learn a protocol to use an intervention that can serve as another way to approach a problem by translating that problem into a metaphor. The Metaphorical Moment can be inserted into the Basic ART protocol but can also be used as the format for an entire session. You will also learn additional advanced ART techniques.

Training Materials: Use of videos of actual sessions with The Metaphorical Moment, practicum script, Advanced ART manual.

Objectives:

At the conclusion of this program, participants will be able to:

- 1) identify which clients would benefit by the ART Advanced Scripts and Techniques.
- 2) use metaphors with the Advanced ART Techniques.
- 3) be prepared to work with clients that have difficulty with making changes in their lives.
- 4) use ART's "Metaphorical Moment" script.
